Experience

National Presto Industries - Industrial Designer II

📅 Spring 2022 - present *Eau Claire, WI*

- Responsible for independent development into full launch of multiple new Presto kitchen appliances.
- Designed professional sales correspondence resources (booklets, presentations) for all meetings with the world's largest retailer, Walmart.
- Represented the Consumer Solutions and Innovations team at the annual Inspired Home Show in 2023
- Was involved in office organizing and restructuring, both physical and digital

KOHLER Company - Industrial Design Intern

📅 Summer 2019 *Kohler, WI*

- Worked with the Shower and Bath team. Lead independent research into ways of improving packaging solutions for more fragile shower components.
- Collaborated with Kohler Waste Lab to develop new applications of recycled ceramic.
- Explored new opportunities to grant Kohler a more competitive edge in the minor shower component market.

360Fly - Industrial Design Intern

📅 Winter 2019 *Fort Lauderdale, FL*

- Worked for the small start-up as one of a 4-designer team developing housings for the 360Fly action camera.
- Developed security vests for Brink, testing different mounting rigs and their effectiveness in different conflict scenarios
- Designed mounts for security cameras on schoolbuses

USA Olympic Luge Team - CCS Sponsored Studio Designer

📅 Fall 2019 - Winter 2020 *Lake Placid, NY*

- Worked with real olympic medalists to develop new footwear for Olympic Luge racers.
- Explored lightweight solutions for improving rider posture, and modified existing parts to be more aerodynamic
- Was selected with 2 other designers from the studio to travel to the Olympic Training Center in Lake Placid, NY to present the finished design to Luge Director of Sports, Mark Grimmette

Xenith Football - CCS Sponsored Studio Designer

📅 Winter 2018 *Detroit, MI*

- Collaborated on ideas with the Xenith team to expand their product-line outside of American Football.
- Reimagined the Xenith brand for Baseball, while aiming to keeping the core values of the brand intact.

Education

College for Creative Studies

📅 Class of 2020 *Detroit, MI*

- Bachelors of Fine Arts - Industrial Design (Product)
- Minor in Communication Design (Graphic)
- IDSA Board Member 2017 - 2018

Offsite

📅 Summer 2021 *Chicago, IL (remote)*

- Collaboration Studio with Industrial Designers from around the world
- Received Certificate of Completion
